- ★ Wire-stripping unit that's integrated with a crimping station (press and applicator).
- ★ On one movement, wire is grabbed, stripped and moved over the anvil.
- ★ Can strip wires up to 3mm².
- ★ Works with both end and side-feed applicators.
- ★ Pneumatic actuating system grants ease of installation, use and maintenance.
- ★ It can be cycled either by pedal or by a sensor that detects the presence of the wire.
